INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Support Dogs, Inc. and Subsidiary
St. Louis, Missouri

We have audited the accompanying consolidated financial statements of **Support Dogs, Inc. and Subsidiary** (a not-for-profit corporation), which comprise the consolidated statements of financial position as of June 30, 2016, and the related consolidated statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**INDEPENDENT AUDITORS' REPORT
(CONTINUED)**

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of **Support Dogs, Inc. and Subsidiary** as of June 30, 2016, and the changes in their net assets and their cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited the Support Dogs, Inc., and Subsidiary's consolidated financial statements for the year ended June 30, 2015, and our report dated October 7, 2015, expressed an unmodified opinion on those audited consolidated financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2016

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Business Description and Principles of Consolidation

Support Dogs, Inc. (SDI), a not-for-profit corporation, was founded to help people with special needs achieve an improved quality of life through the use of assistance dogs. Through the services of a specially trained dog, coupled with a comprehensive educational program in the use of such a dog, the disabled person can achieve a more independent life style and thus develop a better sense of self-worth and competency. **SDI** also provides pet-assisted therapy, through the TOUCH Program, and educational programs, including the PAWS For Reading Program, to thousands of individuals in the St. Louis Metropolitan area.

Stormy Maze Holdings, LLC (**SMH**), is a wholly-owned subsidiary of **SDI**. **SMH** is engaged in land acquisition and construction of **SDI's** office facility.

The accompanying financial statements at June 30, 2016 and 2015, and for the years then ended consolidate the financial positions, activities, and cash flows of **SDI** and **SMH** (collectively, the Organization). All intercompany transactions have been eliminated in the consolidations.

Basis of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis in accordance with U.S. generally accepted accounting principles.

Comparative Consolidated Totals

The consolidated financial statements include certain prior year summarized comparative consolidated information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's consolidated financial statements for the year ended June 30, 2015, from which the summarized consolidated information was derived.

Financial Statement Presentation

The Organization reports its information regarding financial position and activities according to three classes of net assets depending upon the existence or nature of any donor-imposed restrictions. The following is a description of these classes of net assets:

Unrestricted Net Assets

Those resources over which the Board of Directors has discretionary control. Designated amounts represent those resources that the Board has set aside for a particular purpose.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)***Financial Statement Presentation (Continued)******Temporarily Restricted Net Assets***

Net assets subject to donor-imposed restrictions that will be met either by actions of the Organization and/or the passage of time.

Permanently Restricted Net Assets

Net assets subject to donor-imposed restrictions that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income from these assets.

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Unconditional promises to give cash and other assets are accrued at estimated fair value at the date each promise is received. Gifts are reported as temporarily or permanently restricted support if they are received with a donor's stipulation that limits the use of the donated assets. When a donor's restriction is satisfied, temporarily restricted net assets are released and reported as an increase in unrestricted net assets.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Organization to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Description of Program Service and Supporting Activities***Program Services******Assistance Dog Program***

SDI trains a variety of assistance dogs to meet several segments of the population.

Service Dogs - Dogs trained to complete mobility-related tasks for someone with a physical disability.

Animal-Assisted Therapy Dogs - Dogs trained and placed with an individual who is an employee of a facility that works with "at risk" populations.

Hearing Dogs - Dogs trained and placed with someone who is deaf or hard of hearing.

Psychiatric Service Dogs - Dogs trained to help military veterans, first responders, and EMS personnel suffering from the effects of Post-Traumatic Stress Disorder (PTSD).

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)***Description of Program Service and Supporting Activities (Continued)*****Program Services*****Assistance Dog Program***

Court Room Dogs - Dogs are placed with individuals who work with children and adults who have been mentally, physically, and/or sexually abused. The dogs are used as part of the forensic interview process to help gather information from the victim. If necessary, the dog will accompany the victim to court if testimony is needed.

TOUCH Program

SDI provides certification to volunteers and their own dogs to visit facilities in which the patients or residents can benefit from a visit with a well-trained canine.

PAWS for Reading Program

SDI places dogs in a classroom or library setting in the St. Louis Metropolitan area. The dogs act as an incentive for the children to read more and to read better.

Outreach Program

Part of the mission of **SDI** is to educate the community about assistance dogs and the programs offered.

Supporting Activities***Management and General***

Includes the functions necessary to maintain an equitable employment program, ensure an adequate working environment, provide coordination and articulation of the Organization's program strategy, and manage the financial and budgetary responsibilities of the Organization.

Fundraising Activities

Provide the structure necessary to encourage and secure private financial support from corporations, foundations and individuals, in the form of gifts as well as support of fundraising events and capital campaigns.

Risks and Uncertainties

Financial instruments that potentially subject the Organization to credit and market risk consist principally of cash, receivables and investments.

The Organization places all cash and cash equivalents and investments with major financial institutions and, by policy, attempts to limit the amount of credit exposure at any one financial institution. **SDI's** cash deposits in financial institutions are insured by FDIC insurance, which is subject to certain limitations and conditions.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)***Risks and Uncertainties (Continued)***

SDI also has a significant amount of investments in marketable securities that are, therefore, subject to market risk. Market risk is the possibility that future changes in market price may make a financial instrument less valuable. Concentrations of credit risk with respect to receivables are limited due to the nature of these receivables.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Contributions Receivable

Unconditional promises to give (contributions receivable) in future periods are recognized as support in the period the promises are received. Conditional promises to give, which depend upon specified future and uncertain events, are recognized as support when the conditions upon which they depend are substantially met.

Property and Equipment

Property and equipment are carried at cost. Contributed property and equipment are recorded at fair value at the date of donation. Major renewals and betterments are capitalized to the property accounts while maintenance and repairs, which do not improve or extend the lives of the respective assets, are expensed as incurred. Depreciation is computed on a straight-line basis over the estimated useful lives of the respective assets. Leasehold improvements are amortized using the straight-line method over the remaining terms of the leases.

Valuation of Investments and Income Recognition

SDI's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. SDI presents, in the statement of activities, net investment income, which consists of the dividend and interest income (net of investment fees), realized gains (losses) and unrealized appreciation (depreciation) on those investments.

Deferred Revenue

Deferred revenue represents registration fees received for a fundraising event to be held in the subsequent year and obedience class fees received for classes to be held in the subsequent year. The revenue will be recognized as the fundraising event takes place, and the classes are held.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)***Donated Consumables and Services***

Contributed services and materials are recorded at the estimated fair value if they enhance the Organization's non-financial assets, or are specialized skills that the Organization would normally purchase if not provided by donation. During the years ended June 30, 2016 and 2015, volunteers donated approximately 387,067 and 675,604 hours respectively, to the Organization's program services and its fundraising which did not meet the accounting standards to record as contributions, and, thus, are not reflected in the accompanying financial statements. The Organization considers the Volunteer Puppy Raisers to donate every hour of every day for the entire year caring for our assistance dogs in training, alleviating the Organization from finding alternative cost options for the puppies

Functional Expenses

The costs of **SDI's** programs and supporting services have been reported on a functional basis. Expenses that can be identified with a specific program and supporting services are allocated directly according to their natural expenditure classification. Other expenses that are common to several functions are allocated based on estimates made by management.

Advertising Costs

SDI uses advertising to promote its programs among the audience it serves. Advertising costs are expensed as incurred.

Income Tax Status

Support Dogs, Inc. is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. The Organization's Returns of Organization Exempt from Income Tax (Form 990s) are subject to examination by the IRS for the statutory period. Stormy Maze Holdings, LLC is a disregarded entity for tax purposes and therefore, assumes the tax status of **SDI**.

Subsequent Events

The Organization has evaluated subsequent events through January 3, 2017, the date which the financial statements were available to be issued, for possible recognition or disclosure.

2. CONCENTRATIONS OF CASH AND CREDIT RISK

The Organization places all of its temporary cash investments with major financial institutions and, by policy, attempts to limit the amount of credit exposure at any one financial institution. Cash balances are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 under the FDIC's general deposit insurance rules. At June 30, 2016 and 2015, cash balances exceeded the FDIC limits by \$225,617 and \$1,897,705, respectively.

SUPPORT DOGS, INC. AND SUBSIDIARY

Notes to Consolidated Financial Statements (Continued)

3. CONTRIBUTIONS RECEIVABLE

At June 30, 2016, contributions receivable are expected to be collected in the following periods:

Year Ending June 30,	Amount
2017	\$ 422,881
2018	307,000
2019	200,000
2020	200,000
	<u>1,129,881</u>
Less discounts to net present value	<u>(31,753)</u>
Contributions Receivable, Net of Discounts	<u>\$ 1,098,128</u>

A discount rate of 2.5% was used to record contributions receivable at the present value of the future cash flows at June 30, 2016.

4. PROPERTY AND EQUIPMENT

Property and equipment consist of the following:

	June 30,	
	2016	2015
Land	\$ 699,369	\$ 699,369
Building - construction in progress	-	1,113,776
Building	3,690,040	-

Training equipment	17,137	29,352
Office furniture and fixtures	80,724	36,308
Property and equipment at cost	<u>4,487,270</u>	<u>1,908,315</u>
Less accumulated depreciation	<u>(80,303)</u>	<u>(64,918)</u>
Property and Equipment, Net	<u>\$ 4,406,967</u>	<u>\$ 1,843,397</u>

During the year ended June 30, 2016 the Organization placed a newly constructed building into service.

Depreciation expense was \$54,485 and \$3,227 for the years ended June 30, 2016 and 2015, respectively.

Notes to Consolidated Financial Statements (Continued)

4. PROPERTY AND EQUIPMENT (CONTINUED)

In an effort to further **SDI's** mission to increase services to individuals with disabilities and other growing needs in the community, **SDI** began a capital campaign in 2012 to fund the construction of a new facility. The cost of the capital campaign increased fundraising expenses by \$1,726 for the year ended June 30, 2015. Net assets raised and restricted for the capital campaign as of June 30, 2016 and 2015 were \$2,545,582 and \$1,903,942, respectively.

5. INVESTMENTS AND FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under the standards are described as follows:

Level 1

Valuations based on unadjusted quoted prices available for identical assets in active markets that the Organization has the ability to access.

Level 2

Valuations based on quoted prices in markets which are not active, or for which all significant inputs are observable, either directly or indirectly, or derived principally from or corroborated by observable market data by correlation or other means.

Level 3

Inputs to the valuation methodology are significant, unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value as of June 30, 2016 and 2015.

Mutual funds - Valued at the net asset value of shares held by the Organization at year end.

5. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's assets that are measured at fair value as of June 30, 2016 and 2015:

Description	Fair Value Measurements at Reporting Date Using		
	Level 1	Level 2	Level 3
June 30, 2016			
Mutual funds	\$ 190,786	\$ -	\$ -
Corporate bonds	147,790	-	-
Total	\$ 338,576	\$ -	\$ -
June 30, 2015			
Mutual funds	\$ 616,206	\$ -	\$ -
Total	\$ 616,206	\$ -	\$ -

6. LONG-TERM DEBT

In conjunction with the construction of the new facility disclosed in Note 3, **SMH** has a secured Construction Line of Credit with a bank. The line of credit is up to \$1,000,000 at a variable interest rate of one month LIBOR plus 2.5% as of June 30, 2016. The balance on the line of credit was \$747,568 at June 30, 2016. There was no balance due on the line of credit at June 30, 2015.

7. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets were restricted as follows:

	June 30,	
	2016	2015
Time restrictions	\$ 79,513	\$ 75,449
Purpose restrictions	2,557,610	1,931,332
Total	\$ 2,637,123	\$ 2,006,781

Net assets were released from donor-imposed restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by the donors as follows:

	Years Ended June 30,	
	2016	2015
Time restrictions met	\$ 154,963	\$ 149,733
Purpose restrictions met	479,285	896,003
Total	\$ 634,248	\$ 1,045,736

8. DISCLOSURES OF ENDOWMENT FUND

In 2013, **SDI** received a \$150,000 restricted endowment established to provide funding for TOUCH therapy dog teams. Endowment net asset composition is as follows:

Year ended	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
June 30, 2016	\$ -	\$ -	\$ 150,000	\$150,000

There were no changes in endowment net assets for the year ended June 30, 2016.

8. DISCLOSURES OF ENDOWMENT FUND (CONTINUED)**Interpretation of Relevant Law**

The Board of Directors of **SDI** has interpreted State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the date of the donor restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, **SDI** classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

In accordance with SPMIFA, **SDI** considers the following factors in making a determination to appropriate or accumulate donor restricted endowment funds:

1. The duration and preservation of the fund
2. The purposes of the Organization and the donor restricted endowment fund
3. General economic conditions
4. The possible effect of inflation and deflation
5. The expected total return from income and the appreciation of investments
6. Other resources of the Organization
7. The investment policies of the Organization

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that reflects a combination of return-seeking assets and risk-mitigating assets to achieve its long-term return objectives with prudent risk constraints.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization has a policy of distributing gains to the extent the then-current market value of the fund principal exceeds the historical dollar value of the gift less any distributions of principal allowed under the terms of the gift, unless otherwise specified by the donor. In establishing this policy, the Organization considered the long-term expected return on its endowment. Accordingly, the Organization expects the current spending policy to allow its endowment to grow over the long-term. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to provide additional real growth through new contributions and investment return.
